

Our Vision

We are transforming the lives of children and young people by unlocking potential, raising aspiration and developing the skills for success. By growing and nurturing a culture of enterprise we are helping them to create opportunity, gain meaningful and sustainable employment and to generate prosperity for themselves and their communities

Welcome to the new Titan Partnership Newsletter. It will hit your inbox at the beginning of every month with news of all the exciting events and activities taking place across our network and key dates for your diaries.

Our network is absolutely unique. With a cross-phase membership of Nursery, Primary and Secondary Schools, FE Colleges, Private Training Providers and Universities across Birmingham we are providing a diverse range of opportunities and experiences for our young people to help them develop the skills for success. This newsletter will showcase and celebrate the Titan network's achievements with our members, partners and the wider education sector.

We hope you enjoy this first edition. Please let us know your ideas and comments for future newsletters.

Kind regards,

Carolyn Chapman-Lees – Chief Executive

SPOTLIGHT ON...

GORDON FRANKS TRAINING

A big welcome to Titan's newest member, Gordon Franks Training who specialise in Apprenticeships, Pre-Apprenticeship and Work Experience programmes.

“We are absolutely delighted to become a member of the Titan Partnership. Having previously worked with a number of Titan schools, supporting their students to progress into further education, training and employment, we felt it was the right time to become a member so that we might connect and collaborate more effectively with all members and also take advantage of the extensive benefits of membership. We are very much looking forward to working with Titan in order to help more young people access training and employment opportunities.”
