Every pound invested in the Titan Fund helps create opportunities, improve wellbeing, and inspire young people to thrive , both inside and outside the classroom.

THE TITAN FUND

Titan Aston Olympians 20th Anniversary

For two decades, Titan Aston Olympians has been raising aspirations, building confidence, and inspiring young people through the power of sport. In June 2026, we're proud to mark the event's 20th Anniversary - a four-day celebration that unites primary schools from across the Titan Network in friendly competition.

Across five exciting challenges - basketball, football, dodgeball, a gym challenge, and water polo- pupils compete for medals in the inspiring setting of a world-class university campus.

As a Titan Business Partner, your donation will give 30 young people the chance to take part in this life-changing experience - opening their eyes to new opportunities, building teamwork skills, and boosting their confidence.

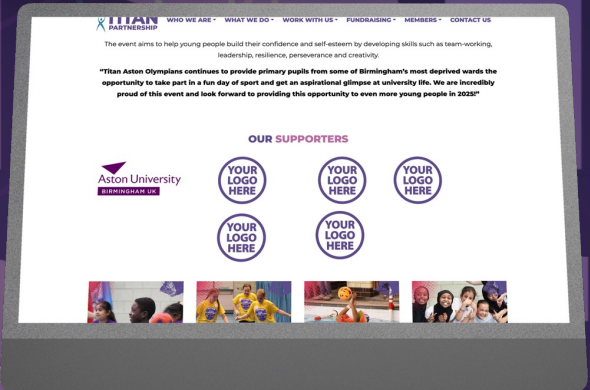

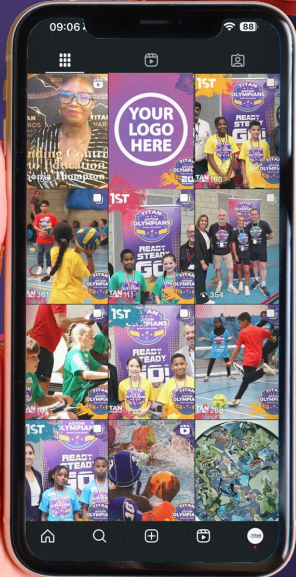

We also invite our partners to get involved directly. Use one of your corporate volunteer days to chaperone a group of five children as they move through the activities - it's a hands-on, rewarding way to see the impact of your support in action.

For even greater brand visibility, we offer exclusive event sponsorship packages - putting your organisation in front of schools, families, and the wider community during this landmark celebration.

As a Business partner, we will promote your involvement and support of the event. This will include:

- **Inclusion in event press release**
- **Social media posts**
- **Logo on event webpage**
- **Your logo on our supporters banner (at the entrance to the event)**
- **Your logo on the back of pupil and volunteer event t-shirts**

Titan Awards & Charity Dinner 2026

The Titan Awards & Charity Dinner is our flagship celebration, honouring the outstanding achievements of staff and students across the Titan Network. This prestigious evening brings together educators, business partners, and community leaders for an unforgettable evening of celebration. The event kicks off with a networking drinks reception, followed by a gourmet three-course meal and an inspiring awards ceremony and charity raffle.

As a Titan Business Partner, you'll play a key role in the celebrations by sponsoring one of our award categories, putting your organisation's name alongside excellence and achievement. You'll also contribute a £50 prize to our charity raffle, helping to raise vital funds that support our schools and communities.

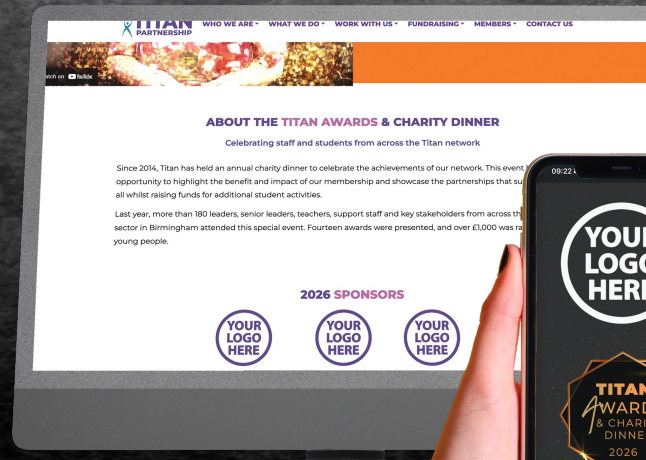

Our award categories celebrate achievements from students to staff, recognising those who have made a real difference. (e.g. Primary Teacher of the Year, Secondary Student of the Year, Support Staff of the Year, Secondary Leader of the Year, etc.)

Contact us to learn more about the awards available.

It's a night of recognition, networking, and impact, and your support makes it possible!

As a Business partner, we will promote your involvement and support of the event. This will include:

- **Inclusion in Press release**
- **Social Media posts**
- **Logo on Awards webpage**
